Green Hop Ipa

This premium hoppy ale is a vivaciously fruity and appetising version of the classic India Pale Ale. Originally brewed to survive the rigours of a long sea voyage from Britain to India during the Raj. Farsons IPA blends just the right amount of bitterness with a solid malt base resulting in a clear amber colour and a well formed and dense off-white head. This modern IPA has a complex, creamy, and refined taste profile – another Farsons Classic in the making.
