Guinness

Not many beers can boast their own bespoke pour. But the beautiful mystery of the surge, the settle and the thick domed head grant Guinness this legendary luxury. With its subtle textures, refreshing bite and bitter-sweet taste, it's no surprise Guinness is often described as the ultimate craft beer. So seduce your senses with Guinness's rich and complex flavours.

Cisk Lager Beer

The original Cisk Lager Beer is a golden - coloured, bottom-fermented lager with a distinctive and well-balanced character. Its rich hop aroma and pleasant bitterness has made it the natural choice and thirst quencher for beer drinkers who want to savour the original brew which remained faithful to its recipe of 1929.
